Dear Crested Butte Music Festival,

We wish you much success this 19th season! We extend a warm welcome to all of the performers, guests, and patrons. We look forward to the many wonderful and exciting performances this summer. Looking ahead, we at the Mt. Crested Butte Performing Arts Center are working hard to deliver the Biery-Witt Center at Mt. Crested Butte, the future home for the Crested Butte Music Festival.

We've all dreamed of an enhanced opportunity to present the performing arts, effectively and successfully serving the desires of our growing valley. A vision stemmed from this dream: that one day we will enjoy world-class performances in a beautiful venue, with back-of-the-house support space and acoustics that top artists desire, and that offers a comfortable and yet exciting experience for patrons.

People believed, and the vision ignited.

Then the vision grew. Why just a performing arts center? Why not create a space that hosts a myriad of events and gatherings? And, in doing so, have a facility that becomes a financially self-sustaining operation.

The Biery-Witt Center at Mt. Crested Butte is this vision, providing...

- A new home for the Crested Butte Music Festival (CBMF).
- A showplace for entertainers and films.
- A center for conferences, conventions, and retreats.
- An indoor hall or outdoor garden for the perfect wedding.
- An educational facility for teaching the arts, humanities, and other disciplines.

We are working to turn this vision into a reality, and we need your help. Contact us today to learn how you can support the project and/or get involved.

Sincerely,
