

BIERY-WITT CENTER

AT MT CRESTED BUTTE

A Performing Arts and Event Center

The Time is **NOW**

Help us Bring this Vision to a Reality

Imagine a performing arts and events center equipped with state-of-the-art capabilities framed by the beauty of Mt. Crested Butte;

Or picture a bride and groom on this stage or at the outdoor plaza as they declare their love;

Now imagine your child learning in an educational symposia setting or in available educational and classroom space;

Imagine this events center as a year-round economic driver for conventions and conferences that will boost economic prosperity; stimulate retail, dining, and accommodation revenues; and provide employment;

Finally, imagine watching your grandchild in awe as they look toward the orchestra pit filled with musicians, fueling their artistic talents and passion of the arts for a lifetime.
